ShowBiz is where business meets community!

A gathering of old and new friends sharing local products and services along with samples of all things Mid-Willamette Valley.

Journey through over 200 Deluxe 10' x 10' Kiosks featuring everything from locally made ice cream and cider to homegrown crafts and boutique industries.

Local businesses showcase their latest products and/or services, while local restaurateurs and catering services offer tasty bites of your favorite dishes.

ShowBiz represents the core of our business community, serving a population of over 400,000.

All area Chamber organizations and their members are invited to attend.

A great opportunity to meet many area business leaders who will be happy to guide you through the ShowBiz experience.

Exhibitors include local businesses from Marion and Polk Counties. The price of admission is just a food donation of any kind for the Marion Polk Food Share.

Due to Covid-19 ShowBiz has been delayed twice.

The date and time for ShowBiz will be announced on the website.

Exhibitors are encouraged to register, however, please don't pay until the date is confirmed.

ShowBiz

Terms and Conditions:

1. Vendors agree to allow ShowBiz to advertise their businesses on the ShowBiz website, television, radio, on social media, and in print.
2. Vendors must provide advertising information in a digital format for all logos, menus, and/or banners. ShowBiz and/or its representatives and/or its affiliates are not responsible for listing correctness or content.
3. Vendors wishing to make changes in their ShowBiz advertising must submit the proposed change to ShowBiz in writing within five (5) business days of the proposed change.
4. If a Vendor is unable to attend, ShowBiz must be notified, in writing, 10 days prior to requested cancellation date.
5. Management of ShowBiz assumes no responsibility or liability for products or services offered by participating vendors, sponsors, their employees, or their affiliates. All costs of vendor and/or sponsor participation must be paid prior to set-up time.
